CLASS HISTORY

In September of 1966, the Class of 1970 first arrived on the campus of Westfield State College. Like all in coming Freshmen, we were apprehensive about what was ahead and, to make matters worse, the new dorms were not finished. This situation was solved by temporarily lodging the boys in the gymnasium and squeezing the girls into any possible space in Scanlon, including the recreation room. Just when it seemed that everyone had settled down and was making the best of the situation, we moved into the new dorms, Dickinson and Davis Halls.

To lead us through that first year we chose as officers: Charles Tetreault, President; Mary Anne Mekalian, Vice-President; William M. O'Brien, Treasurer; and, Angela King, Secretary. We were also pleased to learn that Mr. Edgar Alward and Mr. John Kurty were to be our faculty advisors. Finally, we managed to survive Freshman year, biology and all; and the Class of 1970 celebrated at the Freshman Ball where Suellen Aiken was chosen queen.

In our Sophomore year, we became counselors to the new Freshmen and also acquired a new sense of belonging. Socially, this was a very good year with Playboy Night especially standing out in our memory. This was also the year that Jerry Gorrasi was instrumental in setting up the highly successful coffee houses which were held in Bates Cafe. In addition, Jane Banas, a member of the class of 1970, was crowned the first Homecoming Queen.

In our Sophomore year, our officers were: Patricia Kelly, President; Mary Anne Mekalian, Vice-President; Judi McNeil, Treasurer; and, Jacqueline Bouley, Secretary.

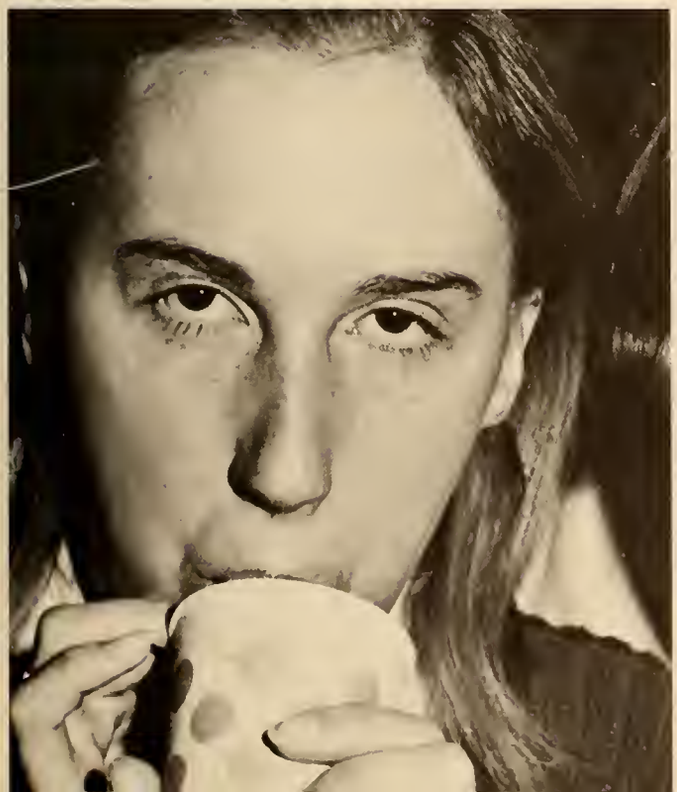
The highlight of our Junior year was Your Mother's Garter which was held at the Red Barn. In addition, we also participated in the Annual Cleanup Day. Again a member of the Class of 1970, Chris Shannon, was chosen as Homecoming Queen.

In our Junior year, officers were: Matthew Meagher, President; Mary Anne Mekalian, Vice-President; Kathy Twohig, Treasurer; and, Kathleen Farrell, Secretary.

This past year, our Senior year, was perhaps the best. We helped to support the successful Harvest Weekend and again our class supplied the queen. This time it was Cheryl Normandin. The Senior class also sponsored a very enjoyable trip to Bermuda. Possibly the best part of Senior year came towards the end. We were the first class to have a 200 Days Party. That was followed by a 100 Days Party at which Kathy Twohig announced the class superlatives; and, of course, there was the 70 Days Party. All were held at the C.I.

The officers chosen to lead us in our most crucial year were: Ronald Barnes, President; Mary Anne Mekalian, Vice-President, Jacqueline Bouley, Treasurer; and, Kathleen Farrell, Secretary.

HUNDRED DAYS PARTY



SENIOR—PARENTS DAY

In commemoration of four years of unselfish assistance and guidance to us, we the members of the class of 1970, dedicate the 1970 Tekoa to Edgar C. Alward.

The very end of our year was highlighted by the Traditional Senior Week. This included a Senior—Faculty Golf Tournament, of which Garry Gagne was the winner, and this was followed by a Spectator Cocktail Hour. Next on the agenda was the Clambake held in Brzoska Grove in Southwick; the Red Sox Game in Boston; and, a pool party at the Sheraton Inn.

All in all, the Class of 1970 has had a very productive as well as enjoyable four years here at Westfield State College. We are leaving, but the memories will linger on.

ADMINISTRATION

President Leonard J. Savignano came to WSC in 1961 when the only major offered was elementary education. Since that time, the college has grown both in student number and land area. Dickinson Hall, Davis Hall, and Juniper Park have been built and our science building and student union are, at the time of this publication, under construction. President Savignano has also set up a student exchange program with the University of Oklahoma, a foreign study program in Mexico, and a student teaching program which allows students to student teach in either Italy or South America.

FALL

HARVEST WEEKEND

Westfield State College celebrated its first annual Harvest Weekend this fall. Among the events were an alumni buffet in Scanlon Hall dining room and the crowning of our Harvest Queen Cheryl Normandin by Ronald Barnes, Senior Class president.

AGG

What does A G G mean? The actual meaning of the three letters can be best explained by the functions of the organization. The A G G has proven itself to be one of the most active and successful organizations on campus; it presently enrolls over 200 active members.

The A G G Booster Club is a state wide organization. It was started in 1965 at a women's college in New Hampshire. Mr. Kenneth Magarian, Mr. John Bebas and Mr. Dan Gurrette formed the A G G to foster spirit at the apathetic girls school. It was not long after its conception that the entire campus of the school was turned into one big booster club with one purpose — school spirit.

A year later the A G G took roots at Northern Essex College in Haverhill. Again the A G G was a success in its every undertaking. It was here that the A G G had its first "Blow-Out." While in Haverhill the A G G members acted as prefects at a boys school, still fostering the A G G spirit.

In the fall of 1968 the A G G extended its bounds to Westfield State College via Ken Magarian and John Bebas. The spirit took hold and the second week on campus A G G held a torch light soccer rally. After that a Halloween march announced the official arrival of the A G G Booster Club at Westfield State College.

The A G G has donated of its time and funds freely in the support of athletics and other service organizations on campus. The A G G has raised its own funds through its many successful endeavors here on and off campus. It may be interesting to note that the A G G is totally independent from college control for its funds and functions.

The A G G Booster Club is headed by a team of dedicated members guided by Ken Magarian as President, John Bebas as Vice-President, Ellen Baxter Secretary, Linda LaCouture Assistant Secretary, Perry Davis Treasurer, Jerry Rossi Assistant Treasurer, and Bill F. O'Brien Publicity Director. The A G G advisory staff is headed by the very able coach of the Owls Basketball team Mr. Leo LeBlanc.

This is the A G G!

The Economic Society exists to allow its members to present and discuss those pertinent social issues which are intimately affected by economic manifestations.

The Economic Society sponsored a seminar this year which included presentations by students, faculty members, and Ralph Nader.

Individuals who are selected by the Economic Society to present a paper are rewarded with a fellowship from the Economics Society of Westfield State College.

Mathew Meagher serves as the President of this club. James Baron is the Secretary and Jerry Monaco serves as the Treasurer.

MATH CLUB

The purposes of the Math Club are to provide an outside activity for those students who are mathematically inclined and to develop a program which will be of interest to these students so as to further stimulate interest in the field of mathematics.

The bi-weekly meetings include lectures concerning mathematics and teaching on the secondary level, given by college faculty members, students, and also distinguished mathematicians from the surrounding area. Other activities sponsored by the Math Club at Westfield State are: field trips to computer centers, "Problem-of-the-Week," and an annual Math Alumni Tea.

OUTING CLUB

The common purpose of the students who get together in this club is to get outdoors. The club has its own snowshoes, tents, knapsacks, canteens and compasses. Horseback riding, hikes up nearby mountains, cookouts and tenting overnight, map reading and compass orienteering, weekend trips to reservoirs, forests, salt-water islands and nearly-mile-high mountains are all just past or just ahead for members of the club.

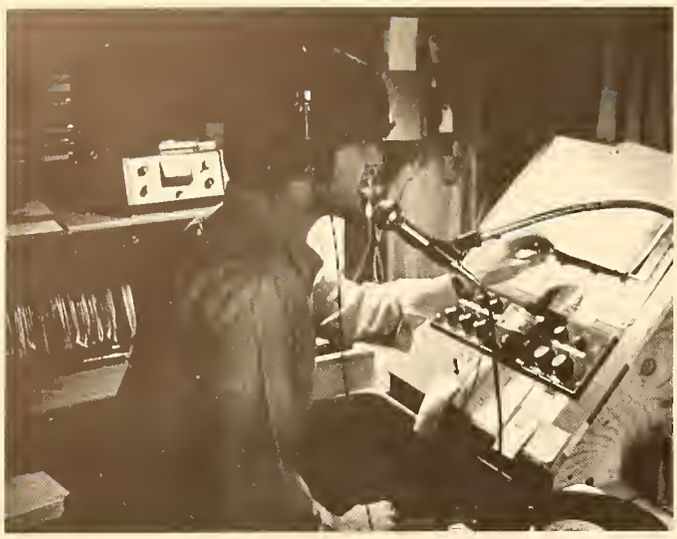
RADIO CLUB



As Westfield State College grew it was becoming more evident that campus communications was a vital part of the college community. In the fall of 1966 William F. O'Brien, a member of the class of 1970, and Mr. Philip Shepardson, a faculty member and professional broadcaster, teamed together to bridge the communications gap with a radio station. On February 9, 1968 radio station WWED officially took to the air-waves serving the campus with music, news, current events and complete sports coverage including all Owls' basketball games.

It has been the prime objective of WWED and its staff to serve the campus in anyway possible. Looking into the future WWED hopes to move into the new student union and join its counter-part, a complete television station.

At present WWED has eight staff members acting as the guiding forces for the organization; they are: Kenneth Kostek — Station Manager; William F. O'Brien — Business Manager; John Moran — Program Director; Robert Dupuis — Technical Manager; Dennis Pace — Chief Announcer; Dennis Bushey — Music Director; Mr. Philip Shepardson — Advisor; Mr. Arthur Zavarella — Advisor.

PHOTOGRAPHY CLUB

The Photography Club of Westfield State College is an organization which promotes an interest in quality photography. Members are given the opportunity to learn camera and photo-lab techniques. In addition, the photo club members provide pictures for the Owl, Tekoa, college publicity or any time quality photos are needed. The club is always interested in new members who have a genuine interest in the art of photography. Club officers this year were: President — Kenneth Kostek; Vice President — Paul Griffin; Secretary — Richard Marcous; Treasurer — Paul Fitzpatrick; Advisor — Dr. Haertl.

THE NUCLEAR WEAPONS CLUB

The Nuclear Weapons Club was established by Robert Kudlay and Dudley Rose and was sanctioned by Student Government in the fall of 1969. Since its inception, the Club has held bi-weekly, informal meetings open to both members and non-members. Topics at these meetings range from critical discussions of governmental policy to analysis of campus policies with regard to student freedoms and student responses to contemporary problems. In addition to these meetings, the Club has participated in two variety shows, presenting two satirical skits. Its second skit, "The Burning of Woronoco Bay College" was a first prize winner in the Junior Variety Show. Officers: Commander-in-Chief — Robert Kudlay; Major-General — Dudley Rose; Colonel — "Ding"; Major — Eva Varelas; Chaplain — Steve Pappas; Sargeant — Nicki LoRusso.

In 1968, the scope of an interest in the organization broadened so as to include the ideas and talents of visiting scholars from the surrounding academic communities. Accordingly, the name of the organization was changed to "The Philosophy Club Colloquium."

MODERN FOREIGN LANGUAGE CLUB

The purpose of the Modern Foreign Language Club is to help students learn more about the cultures and customs of the people whose language they are studying. Major activities held each year are the Christmas Party where all language clubs gather to present pageants, sing carols, and enjoy refreshments and Language Day. The latter is a particularly interesting activity, as neighboring high schools come to the college to learn about Westfield's language department, to become acquainted with its faculty, and to present skits and other programs. This club is of particular interest to those students majoring in French and Spanish, and to those especially interested in Italian.

SCEC

The Student Council for Exceptional Children (S.C.E.C.) is one of the newer organizations on campus. C.E.C. on a nationwide scale is composed of professionals in the field of special education. Membership in S.C.E.C. on the local level is open to any student interested in learning more about the exceptional child.

Bi-monthly meetings this first year included prominent guest speakers in the field of retardation. A panel discussion at Juniper Park included professionals in retardation, speech and hearing, and program administrators who answered specific questions of the members. S.C.E.C.'s major project for the academic year was a field day for the retarded children in Westfield at Stanley Park.

Officers are: Angela King – President; Robert Johnson – Vice President; Diane Mogé – Secretary; Peter Cross – Treasurer; Margie Dezieck – Program Chairman; Edmond Skinski – Advisor.

LITERARY CLUB

The purpose of the Literary Club is to publish Westfield State College's own literary magazine, "The Hammer and the Nail." All students on campus are welcome to contribute to "The Hammer and the Nail"; the best of these poems, photographs, short stories, and art works are selected for publication by the staff.

INTERNATIONAL RELATIONS CLUB

The International Relations Club attempts to involve the student community more in the world affairs of the day. Through the various activities – opinion polls, speakers, and debates which it offers the student body, the I.R.C. widens the interest scope of the college. Each year in addition to these activities, the members of the I.R.C. send a delegation to the National Model United Nations in New York City. Past participation in this event has brought much success to the Westfield delegation.

The only requirement for membership in the I.R.C. is a sincere desire to become better educated as to world problems and to be willing to spread this knowledge to fellow students.

Members: William Quinn – President; Marie Conway – Secretary; Barbara Hartman – Treasurer; William Gustafson, Debbie Hastings, Paul Julian, Jim Dunn, Delphine McDonough, Jim Manning, Mary Lou Pyra, Terry St. Jean, and Sandra Geoffrey.

STUDENT GOVT.

The main purpose of Student Government is to act as a co-ordinating body between students and faculty and administration. This year's Student Government attempted to gain total involvement on the part of the students. There were rallies and even a nonviolent march, an exciting meeting with the trustees, the Annual Awards Banquet and the finale – Student Government Ball.

PSYCHOLOGY CLUB

Throughout the school year the Psychology Club offers work with juveniles through the Youth Service Board, and monthly visits to Northampton State Hospital. The Eastern United States Psychological Convention is attended each springby the most long-standing members. Films and speakers are also presented.

STUDENT GOVERNMENT BALL

disappearing into the rain

going in a hurry,
then gone. . .

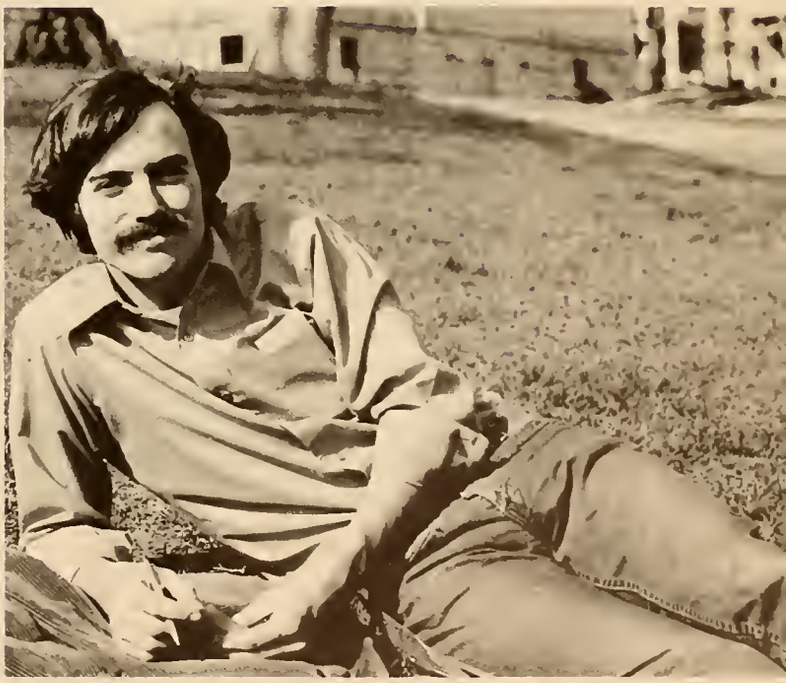
Marion Cutting — Editor in Chief

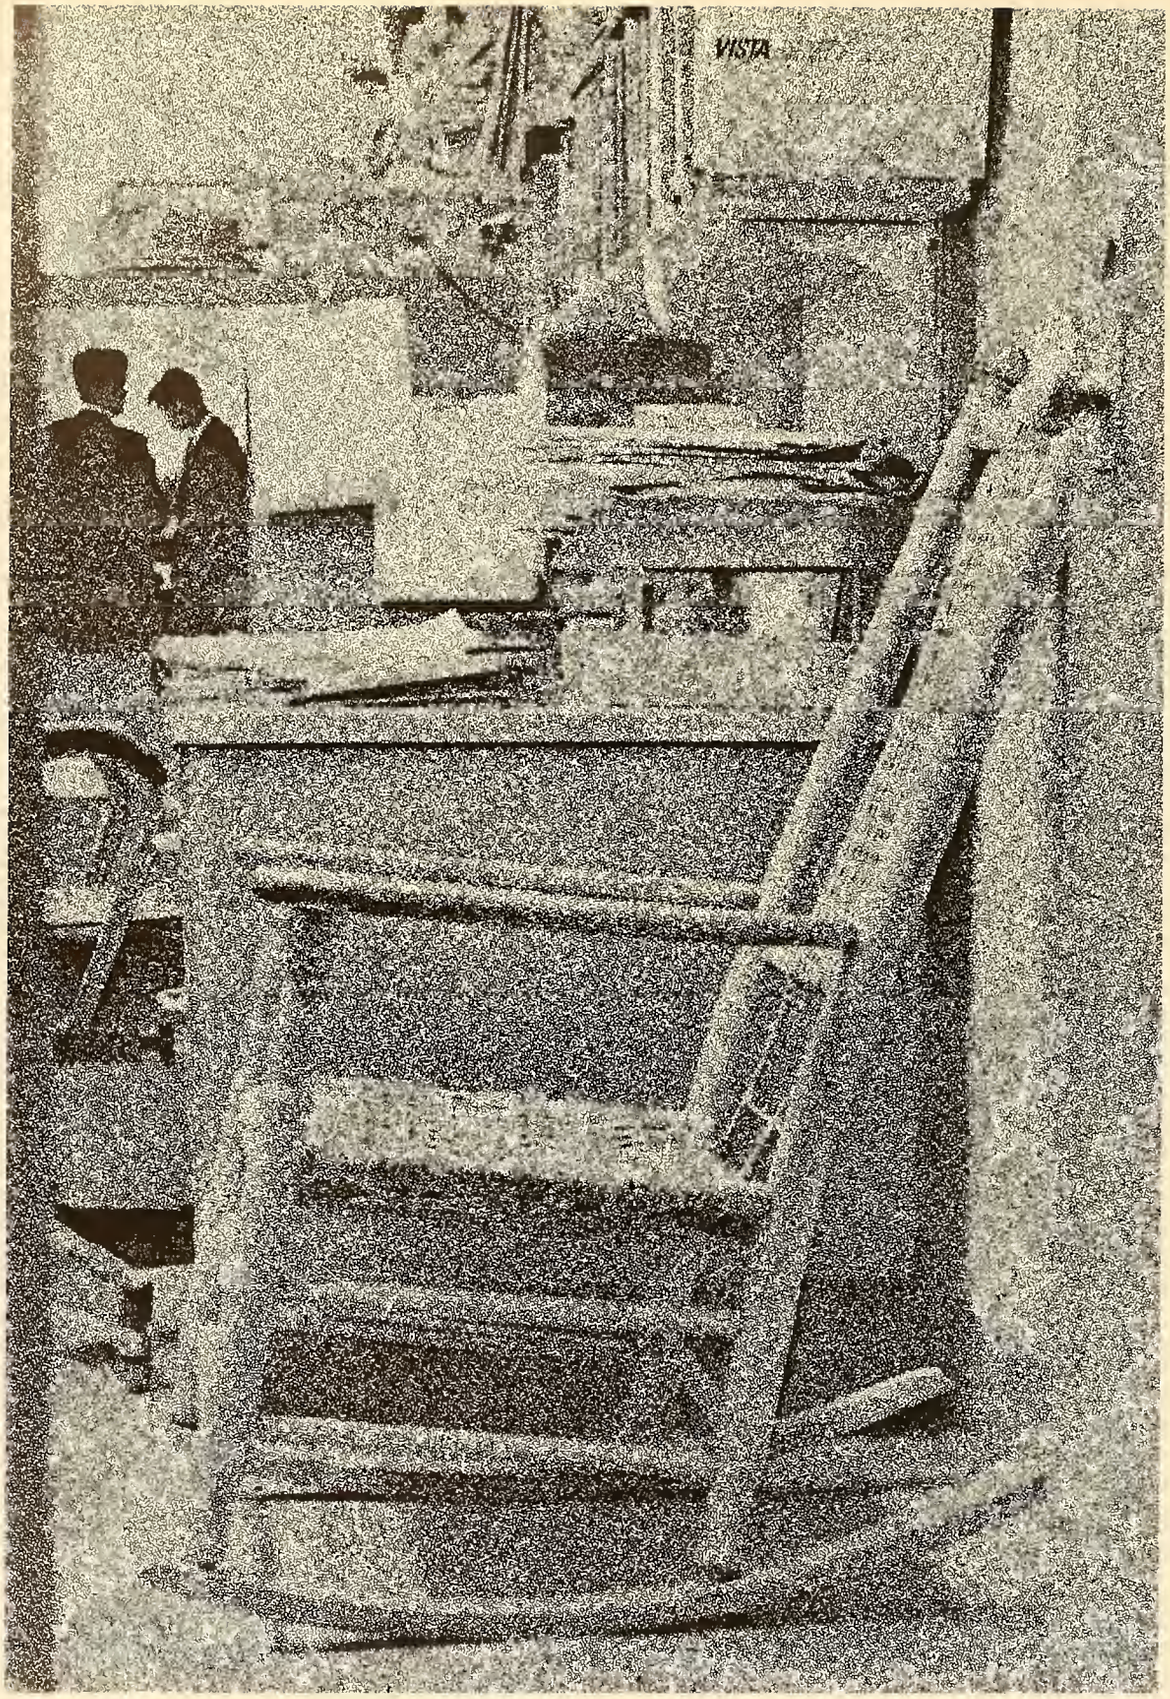
Betsy Neary: Senior Editor

Paula Salvia: Cover Design

REAR: Nancy Yarmac, Assistant Editor, Daune Daley and Marcia Buraczenski. FRONT: Halina Fabiszewska and Nancy Niquette.



Paul Griffin: Photography



Time it was,
And what a time it was,
It was . . .
A time of innocence,
A time of confidences.
Long ago . . . it must be . . .
I have a photograph.
Preserve your memories;
They're all that's left you . . .

The 1970 Tekoa is now completed. This would never have been possible if it weren't for the assistance of many hard working people. I would like to thank Mr. Alward, our advisor, who helped us in every way possible: Paul Griffin who spent more time taking pictures for us than attending classes: Paula Salvia, our designer: Betsy Neary the Senior editor: Carol Caesar, editor of clubs and organizations; and Jacki Bouley who took charge of the faculty pictures. Gratitude also goes to the layout staff: Nancy Niquette, Daune Daley, Marcia Buraczenski, and Diane Jackson; and to the clerical help, especially Barbara Macken, Carol Dubrawski, Cecia Pilla, and all the girls in Dickinson B-lounge.

But the most gratitude goes to Nancy Yarmac, my assistant editor, who at the last minute replaced my co-editor and did all the work she would have done.

Thank you all once again.
